### About Esporão's Quinta dos Murças

Dating back to 1714, Quinta dos Murças is located in northern Portugal, in the Cima-Corgo sub-region of the Douro. The Douro, established in 1756, is the oldest DOC in the world. The region is characterized by its dry, hot climate and steep schist slopes carved out by the Douro River and its tributaries.

The Quinta dos Murças estate is situated on the right bank of the Douro River, between the towns of Régua and Pinhão, nearly two hours drive east of Porto. Stretching over half a mile along the riverfront, mainly with southern exposure, Quinta dos Murças encompasses a total of 383 acres, of which 118 acres are vineyards with indigenous grape varieties. In 1947, the estate became a pioneer with the first vertical vineyard planted in the Douro region.

Quinta dos Murças is a unique estate characterized by its 8 diverse terroirs, which are distinguished by different altitudes, exposures, variations of schist soils and vertical vineyards. In addition to the vineyards, the olive, orange and almond trees and the surrounding forest support biodiversity and promote the balance of the local ecosystem.

The region's extreme climate and terrain, the agricultural practices respecting nature and the different winemaking processes emphasize the true character of the fruit, resulting in concentrated, elegant and fresh terroir-driven wines.

Quinta dos Murças produces wines, such as Assobio DOC Douro and the Quinta dos Murças range - Quinta dos Murças Minas, Quinta dos Murças Margem, Quinta dos Murças VV47, Quinta dos Murças Reserva, Quinta dos Murças Porto Tawny 10 anos, Quinta dos Murças Porto Vintage 2011 and Quinta dos Murças extra-virgin olive oil.
